Modules are indexed into BASIC, EXTENDED, & MAINSTREAM sections as recommended by Callerlab. These sections contain over 500 modules and complete routines beginning with the 1st night of lessons and continuing all the way through mainstream.

Everything is bound in a high quality 12 ring binder with a tough blue vinyl covering. The book is sized to store directly in your record case. The loose leaf steel rings allow you to add or change material around as you please.

The pages are split into 4 sections each so that each module may be mixed or matched with any other module to setup a wide variety of interesting square dance routines.

The Zeros Section contains over 60 facing couple and fractional zeros.

The Gimmicks Section includes many unusual choreographic ideas all presented as complete routines. If You Can and If You Want To Figures. Hex set routines, etc.

The Contra Section contains 20 contras arranged in an easy teaching sequence by Don Armstrong.

Checklists are provided with a place to mark the date basic is taught or reviewed. The list is setup in the order recommended by Callerlab.

All material is printed in large easily readable type and organized to make your planning of a program easy and filled with variety.

Bob Dalsemer's
West Virginia Square Dances

Bob has described the regular dance events in five communities, including details on program format, type of audience, and admission as well as the calling, musical performance, and dance figures themselves.

Bill Litchman says "I found that I was dancing along with the people Bob was describing . . . . [This book] certainly is a must for those who find themselves interested in dance history, traditional calls, folk art and culture, and local history."

$9.35 includes postage & handling. Order from Country Dance and song Society,* 505 Eighth Ave., NY, NY 10018.

LEGACY UPDATE

At its meeting in St. Louis last May, members of Legacy took a number of steps that would tend to make the organization more visible in the eyes of square dancers around the world. Already attempts have been made to pinpoint concerns of square dancers and square dance leaders by extensive sampling opinion (see accompanying article). A streamlined outreach program centralized on a square dance week program and an enlarged hot-line designed to get to the source of problems quickly were also among the major points discussed at this leadership conference. Heading the Legacy Board of Directors for the coming two years are: Chairmen Doc and Peggy Tirrell, Vice-Chairmen Bob and Dottie Elgin and Executive Secretary Don and Vera Chestnut.
